

Drs. Salling & Tate, PLLC
Financial Policy

Our office accepts cash, personal checks, and all major credit cards including Care Credit*. All fees charged are due and payable when services are rendered.

Drs. Salling & Tate will gladly accept your assignment of benefits on most insurance plans, as payment on your account; however, we are **not** a contracted dentist with any of your insurance policies. Your out-of-pocket **estimated** portion will be due day of service, unless other arrangements have been made **prior** to your appointment.

If we must bill you after insurance is received, the total amount is due upon receipt of your statement. In such cases that payments are not received within 20 days of your statement, we will ask for you to pay your charges in full on all future dates of service. Any payment arrangements must be made with our Office Manager (Amy Russell) prior to having services rendered.

For your convenience, we can transfer your final balance over to your Visa, MasterCard, Discover, or American Express. *For more information about Care Credit, please ask our Front Office staff.
